Waste Reduction and Disposal:

Nucor Steel Jackson, Inc., is using the best
available control technology (BACT) in the industry to
collect and the best demonstrated available technology
(BDAT) to dispose of the hazardous waste. Nucor Steel
Jackson, Inc. will continue to look for ways to reduce the
volume and toxicity of the waste generated at the plant
and to look at available disposal methods.

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all documents, and based on my inquiry of those individuals immediately responsible for obtaining the information, I believe the submitted information is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibilities of fine and imprisonment.

Sincerely,

Kevin Van de Ven
General Manager
